Pete and Nicole,

We will need 5 full size (one goes to Graves) 8 11x17 copies and PDF of the plans and reports. Our next hearing is June 12th, I assume that will be adequate.

I would like to request a continuance to next meeting. I will be finishing plans tomorrow and get them to you Monday. How many sets would you like of plans and drainage report.

Thanks

Peter Lavoie

Peter and Norm,

I have not received a response to my email from Tuesday asking about whether you are proceeding Monday night or consolidating on An April 10th meeting.

Please let us know

Joe
